## BIOGRAPHY

Linnette Harper is an Associate of the Firm and leads the Enforcement Proceedings Department. She has more than a decade of experience in the legal field, with a specialized focus on judicial and extrajudicial collections for the country's leading banking institutions.

Her practice centers on the design and execution of legal strategies aimed at credit recovery, including simple and mortgage enforcement proceedings. Her career combines technical expertise with strategic capability, enabling her to provide clients with effective legal representation aligned with their objectives.
